

### Begin Searching

Type a location into the “Find your new home” bar and click the magnifying glass.

*To search from a map or list of cities, click “Find Rentals.”*

### View Results

The next page will show listing. **Click a listing to see full details.**

#### Do you see too many results?

272 properties

Click “Hide Wait Listed Properties” to only see rentals that do not have wait lists.

Click “Refine or Restart Your Search” to go to a screen that lets you refine your search.

#### Do you need more results?

0 properties

Click “Refine or Restart Your Search” or “Click here to try another search.”

On the next screen, click “Choose a different area” at the top-right of the search box.

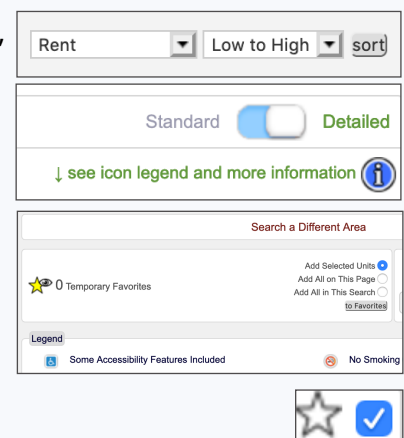

### Use the Map

- Click “Map” at the top-left of the search results to display results on a map.
- Click map pins to see property information highlighted in blue next to the map.
- Click anywhere on the map to begin a new search.

### Sort Results

- Use the menu at the top-right to sort listings by rent, building type, location, date available, and other priorities.
- Click the word “Detailed” to quickly see contact information, deposits, and more.
- Click “see icon legend and more information” to see a key to the icons on each listing and to use the Temporary Favorites feature.
- Click the star in the bottom-left of each listing photo to “favorite” a property. Follow on-screen instructions to add favorites to a page you can view, print, and share. Select listings to compare side by side.
